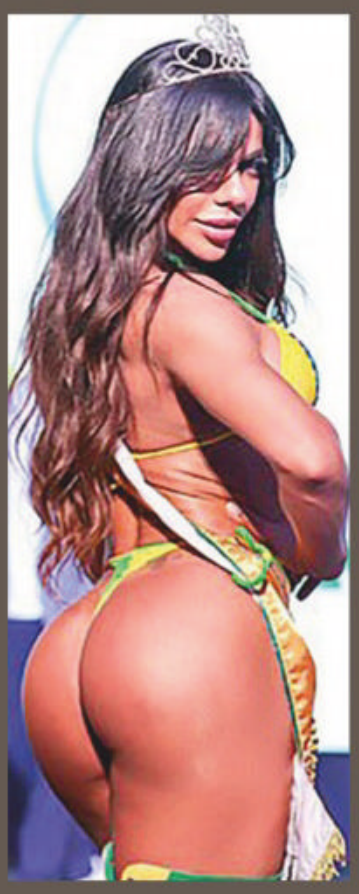
WORLD'S BEST BUM

Brazil's Miss BumBum is globe's top bot



SOME countries do coal. Some countries do Toyotas. Brazil does arses.

Once a year the Miss BumBum contests takes the finest backsides from around the world, throws them on a stage for an almighty ARSE-OFF.

It was invented in Brazil, but has now gone global. Well, as far as Mexico City anyway.

This year's final was held there, but it was still Brazil's own Suzy Cortez who OUT-BUTTOCKED the opposition and BUMMED her way to the top ranking by being named Miss BumBum 2019.

For which she gets about twenny grand and a nice sash, but it's more about the PRESTIGE, innit.

Suze, a former *Playboy* model, had previously won the title in 2015, and now it appears her rear is on the comeback trail.

It's like the ROCKY BALBOA of arses, eh readers! The Picture

BLES ANYONE?

Rosie and Lissy are causing a racquet

SOME people say there's more to women's tennis than just flashes of little white panties, sweaty thighs and jiggling tits.

And they'd be right. Sort of.

There's all that serious whacking of the ball. And running around. And grunting. Oh, the fucken grunting!

But when Pommy models Rosie Jones – the dark-haired one – and Lissy Cunningham – the OTHER one – play you don't get so much of that stuff.

Nah. With them it's pretty much ALL little white panties and jiggling tits. Sweaty thighs optional, if

they can be bothered moving a bit fast and it's humid.

Most of the time, but, they just sit around giving each other a few nice SERVES and showing their ACE tits!

'Cos to be honest they can't play tennis for shit. Nor would we expect them to. They're models for chrissakes, not professional tennis players. Get real!

No, for serious centre court excitement, check out Serena and Venus and Ash and... the other one... erm...

But for sheer FOREHAND technique, Rosie and Lissy will do us every time.

Long may they come to the net and VOLLEY.

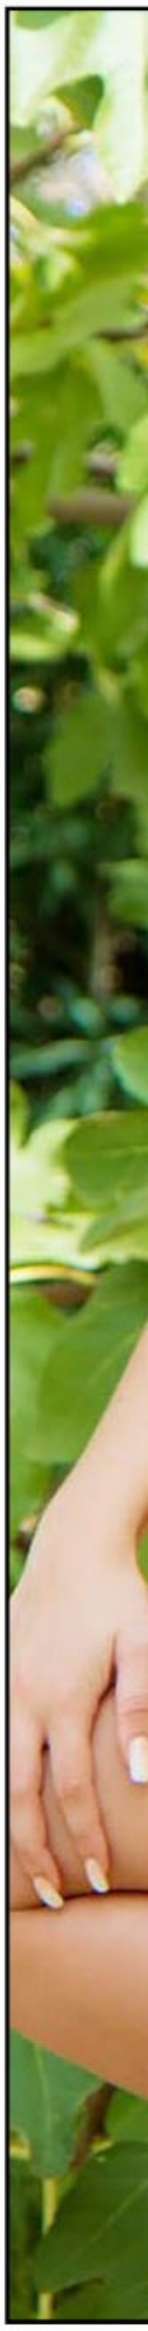
EXTRA! EXTRA! READ ALL ABOUT TIT!

NAPA VALLEY!

Napa Valley is the USA's home of foine woine, and there's nothing like a glass of choice California goon to make Elison's panties hit the deck.

SPLIT!

After rooting her little heart out on porno sets all year, Pommy poon princess Tommie likes to go on hols to Croatia, and hopefully root her little heart out.



NEVADA!

Alejandra Cobos travelled all the way from her home town of El Paso, Texas, to get her tits out in the Nevada desert. She'll go anywhere to get a tan!

PENNSYLVANIA!

Pommy Page 3 babe Brook Wright was on a trip to the USA when she got lost in the woods. Luckily she was wearing her edible underwear, so she survived..

GERMANY!

For Tina, summer in Germany means the beach – wind in her hair, sun on her tits and sand up her arse. Then a beer and a schnitty in the pub.

ODESSA!

Being a local, Sofi knows all the best nude beaches in Ukraine. She's there getting an all-over tan for the entire Ukrainian summer – all four days of it.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

FANCY A COLDIE?

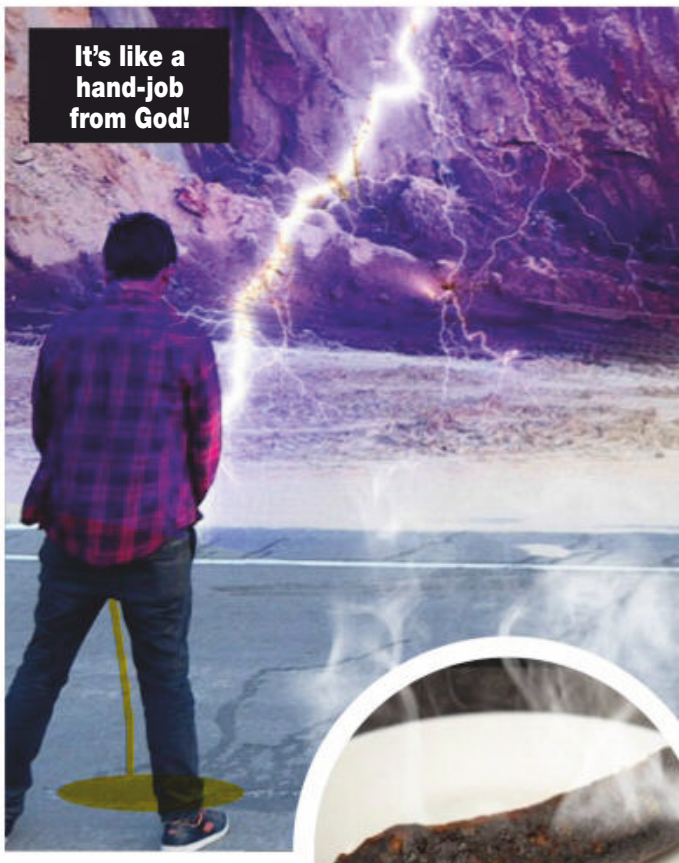
ANYONE fancy seeing a bunch of pale, shivering, naked Poms freezing to death? Too bad, you're gunna see them anyway. On this year's northern autumn equinox a mass of BARMY BLUE BRITS joined in the annual North East Skinny Dip in the BALL-SHRIVELLING North Sea at Druridge Bay, Northumberland, which raises money for a MENTAL HEALTH CHARITY. Which makes sense, 'cos you'd have to be FUCKEN MENTAL to do this. Good on 'em, but.

BONGS AWAY!

A HIGH school in Florida, USA, went into lock-down when a teacher thought she heard someone say a student had a BOMB in their bag, when it really was only a BONG. The staff at the Marianna High School went into emergency mode, the cops rushed out there, and everyone was expecting the bodies to start piling up. But at last they pulled a big choof machine out of the kid's bag, not a big 'splodey thing. Phew, eh!

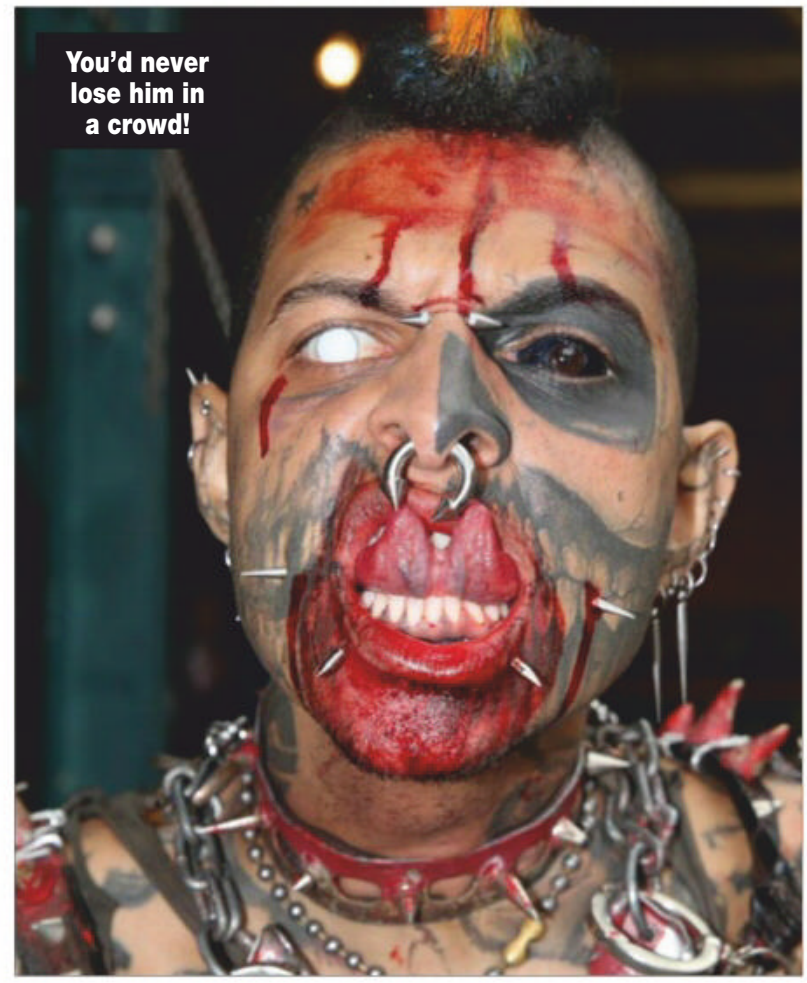
BUZZ COCK!

A BIKER in Croatia had his todger zapped by lightning when he stopped for a roadside piss. Ante Djindjic, 29, from Zagreb was knocked unconscious when the lightning hit his cock. "I don't remember what happened," he said. "One minute I was taking a leak and the next thing I knew I was in hospital. Doctors said the lightning went through my body and because I was wearing rubber boots it earthed itself through my penis." At last report Ante and his scorched knob were doing OK, but he says he'll be splashing his boots indoors from now on.



GUZZLE-A-THON

WE'D like to give ya some SOBERING facts about this year's Oktoberfest in Munich, Germany: There were 600 cops on duty every day; along with hundreds of security guards; 50 doctors were in attendance to save drunks from themselves; and the first beer of the festival was poured by the mayor of Munich Dieter Reiter and handed to Bavarian governor Markus Söder. Which just proves the good perks always go to the pollies, the greedy cunts.



You'd never lose him in a crowd!

OFF YA FACE!

SOME of the weirdest looking tatt-and-body-modification fans showed up at the 15th International London Tattoo Convention in Wapping. Among the wackiest was Brazilian cutie-pie Zombie Punk (above), who has cut his tongue in half, punched metal studs into his skull and tattooed his EYEBALLS. When asked why he did it, Mr Punk replied: "I just came in to use the dunny!"

HOT STUFF!

EX-PORN star Eva Angelina has gone from starting fires in bloke's trousers to PUTTING THEM OUT. After 10 stellar years in the fuck film biz, Eva called time on her career in 2014, then set about becoming qualified as a firefighter in both California and Florida. She got her ticket from Florida's St. Petersburg College Firefighting Academy the other day. She always did fancy working in uniform – during her career she starred in such classics as *Nurses, Not Airplane XXX: Flight Attendants* and as a sergeant in *Anal Boot Camp*.

Holly Garner's got BIG THINGS ahead of her

PELINS!

THIS must be like when some olden-day bastard first looked through a telescope and discovered Mars or Uranus or something.

You are now seeing Holly Garner's norks, like the rest of the world, for the very first time.

And the world is a better place for them making their debut appearance.

Just 21, Holly launched herself into the wonderful world of norks-out modelling only a couple of months ago, after being discovered by talent scouts in some mysterious eastern European joint whose name we probably couldn't pronounce if we tried.

Plus she has family ties in the UK, so she'll most likely be popping up in a few mags there as well.

But whatever route her career takes, we'll go out on a limb and predict she'll go far.

Her all-natural J-cup JAMBOREES will see to that.

Trust us. We're never wrong. Well, almost never... ■Picture

80 YEARS BEHIND THE BAR!

CLARISE Cadarette Grzenkowicz has poured more beers than the entire staff of THE PICTURE has drunk over the years, which is saying something.

Now 100, Clarise started slingin' the suds at the Maplewood Tavern in Alpena, Michigan, USA, when she was just 20 and married her first hubby, Henry, whose family owned the joint.

Now, 80 years and two dead husbands later, she still WOMANS the taps, and has been recognised by the Guinness World Records people as the world's longest serving barmaid.

"I fell in love with this place and never left," she says. "I've made a lot of lifelong friends."

Yeah, that'll happen when you sell BEER for a living. ■Picture

COW'S ON THE CANS!

WE KNEW there was a reason we liked cows, and not just on a plate with salad and chips. Turns out they like beer, too.

The other night 16 of the mooey champions were caught on security cameras making a midnight raid on the New Glarus brewery, in the Seppo state of Wisconsin.

And SPOOKILY, one of the brews they make there is called SPOTTED COW, so maybe the beer-loving bovines were looking to bludge a free freebies.

Even more spookily, the invaders were also SPOTTED COWS!

Anyway, the security guard at the brewery rang the local copper and between the two of them they rounded up the thirsty bludgers and notified their owner.

We hope he bought them a couple of coldies each! ■Picture

A GLASS OF OLD!

GOES GREAT WITH DEAD PIRATE!

AUSTRALIA has lots of craggy old stuff – Uluru, Paul Hogan, YOUR MUM – but here's one that's not only ancient and beaut, you can get pissed on it as well!

The Wreck Preservation Ale is a beer brewed from yeast found in bottles salvaged from a shipwreck off Tassie 221 years ago.

The bots were stuck in a museum for years until some BRAINIAC figured out that the yeasty sludge at the bottom might still be good to go.

So it was handed over to Sydney's James Squire brewers, who knocked it up into some seriously quaffable gear.

Mind you, at around $60 a longneck you'd have to win the fucken lottery to get a serious glow on, but just think of it as a drinkable lesson in Oz history. ■Picture

BOOZE NEWS! BOOZE NEWS! BOOZE NEWS!

NOOOOOOOOOO!

GERMAN police are investigating whether they can charge a truck driver responsible for the senseless deaths of thousands of INNCOCENT BEERS in Bavaria.

The truckie was driving his precious cargo through a roundabout near the town of Leutershausen when the load shifted, sending nearly half of it smashing onto the road.

SOB! WEEP! MOAN!

About 30 volunteers helped clear up the resulting carnage, but, sadly, nearly 10,000 bots could not be saved.

Police say the truck driver was being investigated for insufficiently securing his cargo.

We reckon they should consider charging him with MURDER. ■Picture

Proof God's a bloke

IF THERE was ever definitive proof that God's a fella, this is it. Flooding in from all corners of the planet have come these startling snaps of the big bloke in the sky showing off his MIGHTY CELELESTIAL THROBBER.

It would seem the evidence is IN – God is a tool-bearing, omnipotent, champion DUDE, and anyone who objects is a whinger.

DON'T LOOK UP!

IT'S FALCON FANTASTIC!

Six doors, no waiting!

A RARE-as-rocking-horse-shit Aussie Falcon station wagon was expected to pull in some YOOJ bids when it went to auction the other day.

The 1970 XY Falcon wagon, with six doors and comfy seating for eight, is a one-off, custom-made collector's dream.

It was made to cart around VIP passengers of the now defunct TAA airline down in Tassie back in the 1970s, and Lloyds Auctions described it as: "the rarest car ever manufactured in Australia."

"It's the holy grail for Ford fans," reckoned Lloyds spokesbloke Lee Hames. "It's the only one of its kind and is in immaculate condition."

The impressive Falcon has been fully restored and features an extra-long wheel base and a grunty 351 Cleveland V8 donk.

What's even BETTERER, it only has 13,217 on the clock – miles, that is.

Yeah, we know Jeff Thompson's GTHO Phase III XY Falcon went for a record-breaking $1,030,000 last year, but there's THREE of those still out there and only one of these.

And what's more you could hold a PARTY inside it! ■ Picture

DEAN arrived at his mother-in-law's bedside barely an hour after she'd passed away. "I came as soon I heard," he said to his sobbing wife.

"Yeah, love," smiled Dean. "Best wank I've ever had!"

Q. HOW CAN YOU TELL WHEN A BLONDE HAS BEEN BAKING CHOCOLATE CHIP COOKIES?
A. THERE ARE M&M SHELLS ALL OVER THE FLOOR.

WIZZ, NEWCASTLE, NSW

"IT'S been six months since my missus disappeared," Eric said to his mates at the pub. "The police reckon there's a chance she could walk through the front door at any given moment."

"So what are you doing now?" asked one of his buddies.

"Well, I've moved houses just to be on the safe side."

I.B., HOBART, TAS

Q. WHAT'S THE DIFFERENCE BETWEEN GOD AND BONO?
A. GOD DOESN'T WANDER AROUND THINKING HE'S BONO.

SKIP, DARWIN, NT

THE police came to my front door last night holding a picture of my husband.

"Is this your husband, mam?" they asked.

Shocked, I answered, "Yes."

JOKE OF THE WEEK WINS $100

MY WIFE was standing in the kitchen, preparing our usual soft-boiled eggs and toast for breakfast, wearing only the t-shirt that she slept in. As I walked in, just woken up, she turned to me and said softly, "You've got to make love to me this very moment!"

My eyes lit up and I thought, "I am either still dreaming or this is going to be my lucky day!"

Not wanting to lose the moment, I embraced her and then gave it my all; right there on the kitchen table.

Afterwards she said, "Thanks," and returned to the stove, her T-shirt still around her neck.

Happy, but a little puzzled, I asked, "What was that all about?"

She explained, "The egg timer's broken."

JOEL, BELCONNEN, ACT

"I'm afraid it looks like he's been in a car accident," they said.

I replied, "I know, but he has a lovely personality."

KAREN, PERTH, WA

A LITTLE boy was walking on the road eating a chocolate. A man came over and said, "Son, eating chocolates is bad for your health."

The boy replied, "Do you know, my Grandpa lived to be 105-years-old."

"By eating chocolates?" the man asked, curiously.

"No, by minding his own business."

S.L., YEPOON, QLD

Q. WHY CAN'T T-REX CLAP THEIR HANDS?
A. BECAUSE THEY'RE EXTINCT.

ROD, SUBIACO, WA

A PIRATE walks into a doctor's surgery.

"Arr, shiver me timbers," he growls. "I wants ye to look at the moles on me back. I think they might be of the cancerin' kind."

The doctor has a look at the pirate's back.

"It's OK," he says. "They're benign."

"Arrr... look again," asks the pirate. "I'm pretty sure there be ten."

KRAMER, DEE WHY, NSW

I ASKED my wife what she wanted for her birthday. She said, "Nothing would make me happier than a pair of diamond earrings." So I got her nothing.

PHIL, ADELAIDE, SA

A BLOKE got home from work and told his wife that he'd been given a promotion at work, which meant he got his own office and his own private secretary.

"You'd better hire someone who's old, fat and ugly," said his missus. "I don't want you choosing someone you may be tempted to fuck."

"That's fair enough," the bloke replied. "When can you start?"

A.S., MINCHINBURY, NSW

Q. WHY ARE IRISH BANKERS SO SUCCESSFUL?
A. BECAUSE THEIR CAPITAL'S ALWAYS DUBLIN.

THIS WEEK: RUSSELL HOWARD

"THE BIBLE SAYS GAYS AREN'T NATURAL. WHAT, AND A TALKING SNAKE IS?!"

"You hear all these dickheads, 'Gay marriage is not natural!' Neither's marriage! Humans are the only ones that have weddings. I've never seen a duck dressed as a vicar."

"FOR YEARS I WAS BAFFLED BY THE CHINESE: ALL THEY WANT TO DO IS WHISPER AND FUCK UP YOUR WRISTS."

"Some graffiti is amazing. I was driving along the other day, and there was a big sign saying 'STOP', and underneath someone had written, 'Hammertime!'"

"DO TRANSFORMERS GET CAR, OR LIFE INSURANCE?"

"Have people always been this angry? I've got a funny idea that before the internet, people were just writing 'fuck you' and attaching it to pigeons."

"DO YOU RECKON THE QUEEN HAS EVER PULLED A BLANKET UP SO JUST HER HEAD'S SHOWING AND GONE, 'PHILIP, LOOK AT ME. I'M A STAMP?'"

THE JOKE'S ON YOU

THIS WEEK: SEPPOS

An American walks in to a pub, says "I'll have a Bud Light."
The bartender replies, "You're American aren't you?"
"How did you know?" the guy says, looking surprised. "Was it the beer or my accent?"
"Neither," replies the bartender. "You're the fattest fuck I've ever seen in my life."

Q. HOW MANY AMERICANS DOES IT TAKE TO FILL THE GRAND CANYON?
A. FOUR.

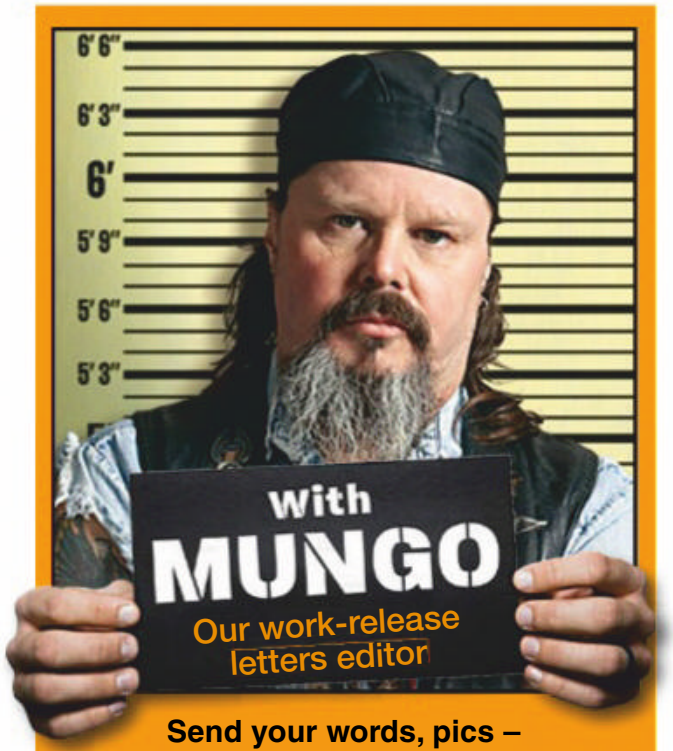
I had to go see my doctor today because I'm having an unusual problem. I say to him, "I've got a problem, every time I finish masturbating I sing the American national anthem". The doctor said, "Don't worry, a lot of wankers sing that".

Q. WHY ARE SEPPOS SO DUMB?
A. THEY SHOOT ALL THE ONES THAT GO TO SCHOOL.

North Koreans believe they live in the best country in the world because they've been brainwashed by the government and media. But every American knows that America is the best country in the world.

READERS' WORLD

GO AHEAD, HAVE A MOAN!



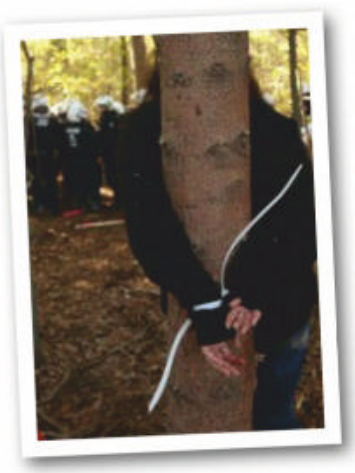
Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

STICK WITH IT

I SAW the other day that people were gluing themselves to protest about the environment in Brisbane. I don't know what they've got against the environment – I'm all for it myself. Anyway, it made me think I should glue myself to the bar at my local pub. Not to protest anything, I just think it would be a good idea.



M.O., DOVETON, VIC

MUNGO SAYS: Can't hurt, mate. At least it show's you're keen. They can't knock a trier. After opening up the bar to find you there glued in place every morning for a few weeks they'll probably get used to you and stop beating you with brooms. Good luck with it. Let me know which pub it is so I don't go there.

GAME OF EYEBROWS

I COULDN'T help but notice the similarity between your Homie of the Week in #1492 Karen, and Daenerys Targaryen from *Game of Thrones*.

AL, KATOOMBA, NSW

MUNGO SAYS: I keep telling you, all it is are the black eyebrows and blonde hair. It warps blokes' minds. Sends us all crazy. Easy to see why. Add some ginger pubes and she's the complete package, all food groups in one. Daenerys, as we know, didn't have ginger pubes, but she could walk through a bonfire nude and not whinge, and that's good enough for me.

AMBASSADOR MUNGO

MUNGO, how come you didn't go with ScoMo when he went to the US to meet with The Donald? You could be the next ambassador to the states and we could all come and kick back in the mansion in Washington drinking your budget for entertaining foreign dignitaries. About time you were on the international freeloaders list.

M.L., ORANGE, NSW

MUNGO SAYS: Dunno about 'ScoMo'. Sounds like something you scrub the bathroom with. But about me visiting the US, certain visa requirements mean I have to stay at least 100kays away from the borders of that country at all times, or be arrested and sent back home in chains, in my underwear, on the next available flight. Some technicality. It's all a beat up. It wasn't my alligator, honest.

LETTER OF THE WEEK
WINS $200

STRIPPING MADE EASY

I HAVE a great idea for the future of stripping in this country. The girls don't have to wear any clothes at all to start with – they just come out nude with bits of gear projected onto them like CGI in the movies and as you pay stripper dollars they switch the bits off and they get nude. They can press a whole bunch of other switches and be in their next cossie ready for their next strip. So there's no need for costumes. My new high-tech strip club needs backers, so how about some dough?

B.F., MORNINGTON, VIC

MUNGO SAYS: They wear costumes? I never noticed. I think you're over-thinking the process. As long as they end up naked, how they get that way isn't so much of a big thing. Try working on something simpler, like free beer or half-price Tuesdays.

STATE OF MIND

MUNGO, now that they're legalising choof in the ACT and brothels in South Oz, what do you reckon is the best state for having a good time in?

S.L., TENTERFIELD, NSW

MUNGO SAYS: Doesn't matter. You take the party with you. I kinda figure wherever I am is my own personal state, and whatever state I'm in, that's state whose rules apply. Which could go any which way. So I'd say the best state to have a good time is within about 20 metres of me... but don't get too close.

MUNGO WANTS TO KNOW...

There are only two things a man needs to fix anything – WD40 and duct tape. Tell me I'm wrong.

SICK PICS

YOU WON'T BELIEVE YOUR EYES

CHEEKY CHAP!

Q: Why is it OK to give a Seth Efrican rugby player a wedgie?
A: Because his undies always SPRING BOK. Haw haw haw. But this is no laughing matter. They take their rugby very seriously in SA, and taking the piss out of it is likely to see you taken round the back of the dressing sheds by a couple of blokes with wonky noses and ears like cabbages and having the CREP beaten out of you. It seems this bloke from the blue and red team just wanted to floss the bloke from the other team's arse with his own lingerie. We hope it worked out nice for them.

WEDGIN' LEGEND!

IN BED WITH KIKI

SUN'S OUT, BUNS OUT

HEY Kiki, do you sunbath nude? And have you ever been to a nudist beach? Guys at the beach would be walking around with massive hard-ons if they saw you there!

B.M., ADELAIDE, SA

KIKI SAYS: ***I frequently visit a nudist beach near Byron Bay, but I never see any guys. I do hear them in the bushes, but I feel like I've been cheated as I never get to see any dicks.***

KISS OFF!

HI KIKI, are you a fan of making out? I love sliding my big, wet tongue down a woman's throat before getting down to business, but the last few women I've been with have wanted to skip the pashing and go straight to the fucking.

LYLE, SUBIACO, WA

KIKI SAYS: ***Lyle, it sounds like you're a bad kisser... well, at least you're still getting laid so I wouldn't be complaining too much.***

TOY STORY

MY WIFE and I have been married ten years and I thought all was going great, until I found her porn stash. It was full of DVDs –guys with these huge donkey dicks. But worst of all, she had a dildo – a MASSIVE dildo – the thing looks like a fucken baseball bat! I feel like she's bored of my average sized donga, should I ask her about it? Or just pretend like I never found anything?

IAN, MELBOURNE, VIC

KIKI SAYS: ***Where was she hiding this stash? I'm curious to know where one hides a dildo that big! If you've been married ten years, then you can casually confront her and chances are she'll ask you to be involved next time. But this could also be a forgotten stash of yours... so tread lightly.***

SAVE THE DATE!

HEY chicky-babe! I live on the Goldy and have my own car. Maybe one day I can pick you up and we can go bowling then get some pizza afterwards? What's your dream date?

SCOTT, GOLD COAST, QLD

KIKI SAYS: ***Well I'm glad you own your own car. Are you off your P-plates yet? Bowling and pizza does sound lovely, but my ideal date would be getting finger-banged on a rollercoaster.***

KIKI'S SEX CONFESSION

"I currently love doing anal and a lot of people ask me for tips. The key to anal sex is using a silicone-based lube, rather than water-based. Not only is it silkier to slide right in, but it lasts for hours."

TATT'S LIFE

HEY toots, do you like blokes with ink? I've just finished my back piece – it's of a Holden Sandman with Shannon Noll driving and Ned Kelly sitting shotgun. Is that a tattoo that would turn you on? I also have a few on my arms and neck.

RYAN, LOGAN, QLD

KIKI SAYS: ***Take Shannon Noll out and I like your chances. But to be honest, I'd care more about your dick or your face rather than a tattoo. On the other hand, I do tend to find guys with ink are more creative in the bedroom, which gets me excited.***

WAY TO BLOW

HI KIKI. I'm a huge fan. I was wondering where do you like a bloke to blow his load? Some chicks hate it on their body. Thankfully, my wife isn't one of those.

IAN, RICHMOND, VIC

KIKI SAYS: ***Anywhere but in my eye! I really hate that. If I'm giving a blow job, I love it in my mouth or when he blows on my face. If I'm in doggy, I prefer him exploding inside me. And if it's missionary, I prefer he shoots all over my body!***

PICTURE THIS

YOU always hear people saying that it's been proven the camera adds ten pounds. Is that true? If so, why does my penis still looks tiny whenever I take a dick pic?

TODD, ADELAIDE, SA

KIKI SAYS: ***Getting your dick hard for starters always helps. You need to master the art of good angles as well. Maybe ask a girl on Instagram for some guidance with this. I hope that helps you, mate.***

RATE EACH STATE

WHICH blokes are the best roots in Australia? It's gotta be Queensland, right?

SAM, ROCKHAMPTON, QLD

KIKI SAYS: ***That's tough. I can give you insights into the cities. Each have pros and cons: Perth guys are romantics, but I'm not keen on them staring into my eyes during sex. Melbourne guys wine and dine me, but 20 per cent of the time have trouble getting it up. Sydney boys are always busy, but the sex is worth the wait. Brisbane guys start things off awkward but finish off strong. I haven't tried the guys in Adelaide, Launceston, or Darwin yet...***

GET UP YA SOOK!

...AND DON'T BE A WUSS

WHO: Seppo college footy player Danquarian Fields

WHAT: Leg snapped like a breadstick

WHERE: Ruston, Louisiana, USA

WHEN Seppo footy player Danquarian Fields busted his leg while playing for the Grambling State Tigers against Louisiana Tech Bulldogs, the injury was so fucken SICK they thought it was gunna have to COME OFF.

He was rushed off to hossie – probably with his LEG sticking out the window of the AMBO it was so bent out of shape – where genius medicos performed a vein graft to stop the busted limb from withering away.

A few hours later, and with the help of one of those machines that goes 'ping', Danquarian he was all better... sort of. He'll be out for the rest of the season, but hopefully he'll recover enough to come back and do it all again next year! Hooray!

Oh yeah – GET UP YA SOOK!

Tassie babe Marty will blow you away

SMOO BEWDY!

"I HAD SEX IN AN ALLEYWAY

BUSTY bartender Marty pulls more than just beers at work. The Taswegian stunna has been busted in the act not once, but TWICE while on the clock.

"It was so embarrassing," giggled the 23-year-old. "It was a quiet day, so an old boyfriend and I snuck into the store room and tried to have a quickie."

We're guessing you were unsuccessful?

"Yep! We were just getting into it when my manager walked in. She had the biggest look of shock on her face."

Did you finish up?

"No, I couldn't. We got our clothes back on quick smart. Luckily I didn't get in trouble."

Lucky. What happened the second time?

"Pretty much the same thing, but this time my manager got angry at me. I don't think I'll try that again."

MARTY

#1493 PIN-UP

Do you enjoy a risqué root?

"Yeah, having sex in public or places where you could get caught is exciting."

Where's the craziest place you've copped a length?

"In an alleyway behind a busy pub in Hobart. I was chatting to a guy at the bar and he wanted to go back to his place, but I couldn't wait so I dragged him into the alley behind the pub and he fucked me there."

Are you a bit of a NYMPH...

"Yes, I'm a massive nymphomaniac. If I'm not having sex, I need to masturbate at least once a day."

Should we send you a few copies of THE PICTURE?

"I mix it up depending on how I'm feeling, but I like amateur porn – I love seeing real couples and girls."

Sounds like you'd love Home Girls, Marty. ■ Picture

MY SLY FUCK

READER'S ROOTS FROM AROUND OZ

LEZ BE FRIENDS

MY BOYFRIEND Ryan was a great fuck – when he wasn't passed out shitfaced, that is. We'd only been going out a month but I was already getting sick of us going out for a big night, him getting me all worked up for sex, then watching him pass out three seconds after we got back to his.

The fourth time it happened, I went creeping around the house looking for alcohol so I could have a few drinks. As I rummaged through the fridge, his flatmate Alice came in to see what was going on.

She was a big-titted blonde like me, and when I saw her wearing tiny pyjama pants and a bra, I got a little bit wet. I told her I was going to keep drinking, and she offered me her company.

One bottle of wine turned into three, then we played truth or dare. Her turn came up and I blurted out, "I dare you to make me come right now."

With a little smile, Alice ripped off my pants and started to kiss me around my pussy. With two fingers slipped inside me, she started kissing up my chest to my cans, sucking my nips like a pro.

In a flash, she was back down at my pussy, attacking my clit with her tongue while slipping in a third finger. This filled me up nicely – much more than Ryan's cock – which is the key to making me blow, so with a few thrusts of her hand, I orgasmed the hardest I ever had.

I returned the favour but I didn't really do a good job, so I promised to put in a better effort next time.

I went back to sleep with Ryan that night and in the morning he apologised for passing out again. I said it was fine and I meant it – in fact, I couldn't wait until the next time he got tanked.

A SOLID SHIFT

I ADORE my girlfriend, but since she started working night shifts, I've barely seen her. Worse than that, I've barely been able to fuck her, so I've been walking round with a boner you could break rocks on and I've had to resort to ripping the skin off it a few times a day.

The other night I was browsing the web for porn when someone messaged me on Facebook. It was my girlfriend's best mate Bree, who was upset 'cos her fella had just dropped her, and it didn't take long before the convo turned dirty.

Bree was talking about how she'd wanted to fuck me since the first day she saw me, and I started jerking off. Then she said she should come over and suck my cock while my girl was at work. A few minutes later I was letting her in the front door.

I barely had time to say g'day before my dong was sliding down her throat. She had a brilliant technique, with plenty of tongue and eye contact and all that, and I really wanted to come in her mouth – but I wanted to fuck her even more.

Tossing Bree on the bed, I ripped her clothes off, then buried my face in her quim. It was the best smoo I'd ever tasted, and I felt like a real legend as I made her squirm all over the place.

When she was nice and ready I climbed on and fucked her so hard I thought the bed was gunna collapse, then I emptied out into that amazing smoo of hers. We fucked another three times before it was time for her to leave.

It's become a regular thing, and I've even suggested my girlfriend take on extra shifts just so I can bonk her pal more often.

DINNER DELIGHT

MY WOMAN Sally has a monster sex drive and it's not uncommon for us to bump uglies up to 5 times a day. We were devastated when her parents invited us around to their house for a roast dinner one Saturday night – that's our prime fucking time!

Sally spent the whole meal feeding herself with one hand and rubbing my cock under the table with the other. Her olds cleaned up and began to prepare a second course, so I said I was going outside for a smoke. I tucked my boner away, gave the missus a wink and mouthed, "Bathroom."

I wandered into the backyard to light up, then I quickly ran around to the side of the house. The bathroom was on the second storey with the light on and the window open, so I clambered up the drainpipe and prayed it would bear my weight.

I found my girlfriend bent over the bathtub with her dress hitched up around her arse, reaching around and fingering herself to moistness. I was so horny that I got my cock out and pretty much took a running leap at Sally's perfect punani, thrusting away at her tight little flange and grabbing at her big bazongas until I was ready to pop.

As Sally came and fell into the bath, I pulled out and unloaded into the basket of fresh towels next to us. We didn't really have any time to clean up, so I clambered back down the drainpipe, ran around to the backyard and walked casually through the door as Sally came down the stairs.

"Oh, you're just in time for some chicken," said Sally's mother.

"Not for me thanks, Mum," my missus sighed. "I've had far too much meat tonight."

Fuck we laughed about that on the way home!

Do you have a favourite get-up to slowly remove?*** "Black lingerie is usually my favourite, but I also love green and orange lingerie come summer." ***Is teasing an important part of foreplay?*** "Foreplay's important, full stop. And, unfortunately, most of the men I've met haven't understood that." ***Gee, you're harsh.*** "I don't want to be – 'cos I love Australia so much, but it's true." ***Righto, well who's the best at foreplay?*** "South American men. How would you describe your sex-life?*** "Wild, open and sometimes explosive." ***Is it important that you get what you want?*** "Of course – but it's more important that both people get what they want. "We shot in a quarry!" explains 22-year-old Miriana of her beaut outdoor shoot. "It was fun and different." ***We bet. Didn't find any bodies at the bottom of the quarry? Or any weirdos hanging about with rolled up rugs?*** "There were a couple of people but we just explained it was a nude magazine shoot." ***Makes sense! Do you like rooting outdoors as well?*** "Yeah – sex in the bush turns me on." ***Noice. Your rose tattoos are pretty awesome.*** "Thanks, I love them. FLASHBACK

DECEMBER 2012

CHELSEA // 26

But if the Slavic nation keeps sending us spunks like Chelsea, we might pay a bit more attention. ***How do Aussie blokes compare with your guys at home?*** "Here, men are more sexy, I think, and more kind and more careful about women. In Ukraine, men don't care about women so much." ***What do you like to do in bed?*** "I like sometimes girls." ***What kind of girls get you all squishy?*** "I like dark-skinned girls and I love oral." ***Best position with a man?*** "I think doggy-style gives better feelings." ***Fucking knows NO national boundaries, eh!***

Sharna doesn't need stupid shit like beds or four walls or even a NICE BIT OF CARPET to put her arse on when she's in the mood for a bout of rooting. "I've done it in the middle of the street in the middle of the night, and in the back of a car while my sister and her boyfriend were in the front. They pretended to be asleep, but they actually took photos." ***Those cheeky fuckers. You wouldn't wanna giz a squiz, would you?*** "I wouldn't let her put them on Facebook or MySpace, so they're in our scrapbook at home." ***Are there any other pics of your body floating around?*** "A lot. Pretty much everyone in Newcastle has pictures of me." ***And they're probably all covered in SPOONT.***

I've recently taken up kickboxing too." ***Could you kick somebody's arse?*** "If they made me angry enough." ***Have you been getting naked on beaches in Oz?*** "Yes.
